

## **Career Opportunity – Lead Mechanic**

The Lewiston-Auburn Clean Water Authority (LACWA) is seeking a skilled and experienced Lead Mechanic to join our team. The ideal candidate will be responsible for overseeing the maintenance and repair of water treatment equipment. This role requires strong technical expertise, leadership abilities, and a commitment to ensuring safety and efficiency in all operations. The Lead Mechanic will play a crucial role in guiding and supporting other mechanics. This position also performs truck driving (CDL-B).

Located on Lincoln Street in Lewiston, LACWA is one of the largest clean water plants in the state. Our mission is to protect public health and the environment by treating the residential, commercial, and industrial wastewaters of our communities and returning clean water to the Androscoggin River. The LACWA team takes pride in this important work and look forward to welcoming a new member on board.

This position is hourly and provides pay starting at **\$31.06/hr.** with a full benefit package including paid time off, health insurance, vision and dental insurance, retirement benefits, professional development, clothing and boot allowance, and more. Shifts are Monday-Friday, 6:00 a.m. to 2:00 p.m. with eventual weekend and holiday overtime opportunities.

**This position will remain open until filled**
